Dear Parent(s)/Guardian(s):

FCPS school buildings will remain closed through the end of July. Therefore, we will continue to provide recommended distance learning opportunities for students throughout the summer.

Students currently in grades K-6 will receive both a Mathematics and a Language Arts Essentials Summer Practice Book in the mail by the end of June. Digital versions of the books will also be posted on the Continuity of Learning Blackboard page. These books will provide recommended practice activities for students to review essential content from the 2019-2020 school year; they are not intended to preview content from next year's grade level but rather reinforce essential learning from this past year. In addition, your child(ren) may continue to access resources such as Dreambox and MyON, which can be found on our HES website. A link has been added for iReady digital lessons. Students will need to enter their FCPS login credentials to access these resources. These digital activities will be available until Friday, July 31st.

As students access these activities from **June 29 to July 31**, they will have the opportunity to attend one virtual office hour each week with one of our own outstanding staff members. The schedule is as follows:

Grade Level	Summer Teacher	Email Address	Office Hour
Kindergarten	Meredith Budniewski	mgbudniewski@fcps.edu	Tuesdays 10:00-11:00 a.m.
First	Meghann Russell	mcrussell@fcps.edu	Wednesdays 1:00-2:00 p.m.
