

Get2Green: Clean Up Event

Get2Green is an FCPS environmental stewardship program. Here at Hayfield, we are working to make a positive impact on our environment through recycling initiatives and other efforts. In our first event, we weeded and cleaned up some of our outdoor spaces. During this next event, we'll focus on trash pick up around the school grounds and begin work on a campaign to promote the idea of zero waste lunches.

Our event will take place on Thursday, November 21, 2024 from 3:30-4:30 p.m. Students in grades 4-6 are invited to participate. Families must be able to pick up their students at 4:30, unless the student is enrolled in SACC.

If you'd like to join us in this effort, please fill out and return this slip to Ms. Taylor or Mr. Pitts by Monday, November 18, 2024.

Contact Information:

Student's Name _____ Grade _____

Parent/Guardian Name _____

Parent/Guardian Phone Number _____

Parent/Guardian Email _____

Name/number of person picking up, if different from parent above

Dismissal:
