Conferences

- ✗ Parent/Teacher conferences will be held virtually this year on Zoom. Fifth grade teachers will be sending a *Sign Up Genius* link via email so that parents can reserve a time to meet.
- ✗ Conferences will take place in October or early November.

Communication

- ✗ Keeping lines of communication open is essential to your child's success. The fifth grade team will communicate in the following ways:
 - Weekly newsletter sent via email at the beginning of each week
 - Individual contacts as needed by phone or email
 - Thursday folders
- ✗ Parents are welcome to contact us. Please keep in mind that email is usually the fastest way to reach us.

Positive Behavior Approach

- ✧ Our positive behavior approach aims to create a welcoming and supportive environment for students. Some components include:
 - **Morning Meeting**: A 20-30 minute class meeting that includes greeting, sharing, team-building activities, and a daily message.
 - **Interactive Modeling**: Teachers model the behaviors they want to see from students. Expectations are set ahead of time so students know what is expected of them.
 - **Positive Teacher Language**: Teachers use language that reinforces positive behaviors, reminds students of the expectations, and redirects behavior as needed.

New Transportation Process

- ✗ Please complete the online [Temporary Dismissal Change form](#) when your child's normal dismissal will change for the day. Students will not be able to ride a bus or get off at a different bus stop this school year. **A child will be sent home using his or her usual manner of transportation unless this pass is completed online. *Parents are highly encouraged to schedule play-date and sleepover exchanges of children outside of school hours.***

Curriculum Resources

Instructional Practices

PBL (Project Based Learning): During PBLs, students work in groups or independently to:

- ✗ conduct research
- ✗ answer key questions
- ✗ investigate topics
- ✗ present their findings
